## Message from the President

*Dear members and friends of HSV,*

*We start our cultural activities this year with the Uruguay Tertulia. This event is of special significance for the Society because it will be held in a new venue that can entertain up to 150 people. It also has excellent facilities in terms of private parking, independent kitchen, social areas etc. The speaker, who represents the Uruguayan Government in Australia, is the Ambassador Mr Alberto Fajardo. Another important guest is the Honorary Consul of Uruguay in Melbourne. I would like to take this opportunity to invite all members and friends of the Society to attend the 16<sup>th</sup> of March Tertulia as it represents an important milestone in the extensive and productive life of the Organisation.*

*The Committee in its ordinary meeting of the 1<sup>st</sup> of March approved the celebration of the “Hispanic Day” in October. We need to promote this event every year and be seen as an important occasion to celebrate the Hispanic culture and the Anniversary of our Society. A grant has already been submitted to the Victorian Multicultural Commission to partially alleviate the financial costs of this cultural activity.*

*The Annual HSV Survey has been distributed to all members. As mentioned last month, the response to the survey is very important in particular for the next Committee. It definitely will provide useful data which will allow taking important decisions for the future of this Organisation.*

*Survey results will be presented, analysed and discussed at the AGM in April.*

*Hasta pronto,*

*Luis Alban*
